

Online brokerage savings available with the Premium or Professional Information Service

This table illustrates the online brokerage savings that can be achieved if you take advantage of the frequent trader rebates available with the Premium or Professional Information Service. Brokerage has been calculated using a trade value size of \$25,000 for up to 15 online trades per month. You'll notice also that Information Service fees are waived if you complete a minimum number of trades each month.

Information Service Fees

Casual Information Service	No fee
Premium Information Service	\$9.95 per month or waived at 2 trades
Professional Information Service	\$77.00 per month or waived at 15 trades

Information services	Number of online share or warrant trades valued at \$25,000 each executed per month															Total brokerage payable for 15 trades	Brokerage savings
